Commencement Speaker

The Very Reverend Richard E. Lamoureux, A.A., superior general of the Augustinians of the Assumption, is only the second American to lead the international religious congregation of priests and brothers in its 165-year history. Father Lamoureux will complete his second six-year term as superior general in 2011. Under his leadership, the Assumptionists, sponsors of Assumption College, have refined the notion of mission in the modern world. Fluent in four languages and conversant in several others, Father Lamoureux is based in Rome.

A native of Worcester, Father Lamoureux attended the former Assumption Preparatory School and Assumption College. He entered the Assumptionist novitiate in New York and after first vows he studied philosophy in Belgium and theology in Rome. He earned a master's degree in divinity from the Weston School of Theology and was ordained in 1971. Father Lamoureux received a master's degree in art history from Boston University and a doctorate in art history from New York University. He joined the Assumption faculty in 1976 to teach art history, particularly architecture during the Renaissance period. After leaving the College to lead the Assumptionists' North American Province during the 1980s, he returned to Assumption 1990 to serve as provost. In 1999, he was appointed to his first six-year term as Superior General of the Assumptionists worldwide.

Devoted to higher learning throughout his career, Father Lamoureux has written and presented widely on the visionary philosophy of education of Father Emmanuel d'Alzon, who founded the Augustinians of the Assumption in 1845 in France. The Augustinians of the Assumption, or Assumptionists, have a worldwide presence through their work in education, publishing, charitable works, retreats and international missions. Today, the congregation includes more than 800 religious, priests and brothers, and nearly 50 novices, living and working in 120 communities in 30 countries on five continents. The Assumptionists remain strong in their mission to reveal the Gospel in ways that are easily understood by contemporary society and to educate the human person as fully as possible.

Father Lamoureux will accept the Assumption College President's Medal on behalf of the Augustinians of the Assumption in recognition of the bicentennial of the birth of Father d'Alzon and the Assumptionists' enduring efforts to sustain his educational philosophy and spiritual vision at Assumption College in Worcester since its founding in 1904.

Francis R. Carroll

Doctor of Public Service

Francis R. Carroll is chairman and chief executive officer of the Small Business Service Bureau, which he founded in Worcester in 1968. A Korean War veteran who proudly served his country in the United States Navy, Carroll is a tireless advocate for the viability and growth of small business. With a strong voice and an informed perspective, he has brought issues of vital importance to small business owners, particularly health care coverage, to the attention of elected officials for more than four decades. The Small Business Service Bureau in Worcester, an affiliate of Carroll Enterprises, Inc., has grown from a private small business association to a nationally recognized business and political force, which counts more than 50,000 members.

A highly successful entrepreneur and philanthropist, Carroll has been recognized many times for his charitable and volunteer work. The area between his office and the Hanover Theatre for the Performing Arts has been designated as Francis R. Carroll Plaza in recognition of the office space he donated to the theater renovation project. He received the Worcester Telegram & Gazette's 2004 Isaiah Thomas Award for his involvement in the Korean War Veterans Memorial. The Martin Luther King, Jr. Business Empowerment Center in Worcester established the Francis R. Carroll Guiding Light Award in recognition of his enduring efforts on behalf of small business and the community, particularly his support for inclusiveness.

Love of God and family has sustained Carroll as he has extended the reach of his business interests and charitable works through the years. He is an active member of St. John's Parish in Worcester and is deeply concerned about humanitarian issues. Beginning in the late 1960s, he began traveling to Vietnam, where for 30 years he helped to build the Living Memorial Hospital in Lien Hiep and dedicate it to fallen American soldiers. More recently, he traveled to El Salvador with U.S. Representative James McGovern to commemorate the 20th anniversary of the murders of Jesuit priests there. He received an honorary doctorate in human rights from Universidad de Centro America in San Salvador.

Donald H. D'Amour, Ph.D. '64 and Michele D'Amour Doctors of Humane Letters

Donald H. D'Amour and Michele D'Amour have shared the same core values for nearly four decades – faith, family, education and community. Individually and together, they have invested their time and resources in issues and institutions about which they care deeply. The scale of their philanthropy has changed lives, increased access to high quality education and improved the communities where they have lived and worked.

Don D'Amour, chairman and CEO of Big Y Foods, Inc., leads one of the largest independent supermarket chains in New England. Big Y Foods, Inc., headquartered in Springfield, operates at 55 locations throughout Massachusetts and Connecticut, and employs more than 9,000 people. Each year, Big Y awards more than 300 academic scholarships, totaling more than \$250,000. Don graduated from Assumption Prep and from Assumption College in 1964, where majored in philosophy. He served as an Assumption trustee from 1991-1999. He holds a doctorate in philosophy from the University of Notre Dame.

Michele D'Amour is Big Y's educational partnership administrator. She oversees a variety of initiatives in support of students, schools and learning. Big Y's Education Express program has awarded more than \$11 million in needed equipment to 2,000 schools in its market area. Big Y's Homework Helpline helps more than 10,000 children each year. Michele has served on the board of the Springfield Diocesan Schools and on the Diocesan Blue Ribbon Commission. She was a founding member of the Somers (CT) Cultural Commission and is a corporator of the Springfield Museums. She graduated from Westfield State College and earned a master's degree in education at American International College.

Don and Michele D'Amour have received many civic honors and other recognition for their good works and great generosity. They include the naming of Springfield's Michele and Donald D'Amour Museum of Art and the D'Amour Center for Cancer Care, among many others. In 2004, Don received the Fr. Louis Dion, A.A. '35 Outstanding Achievement Award from Assumption College. In 2008, the couple received the Assumption College President's Medal for "Outstanding Commitment to the Catholic Intellectual Tradition." Also in 2008, Elms College honored Michele with a Via Veritatis Medal, presented annually to "an outstanding Catholic woman who exemplifies Catholic womanhood and culture at their best, and who has made significant contributions to society."

Passionate about the mission and identity of Catholic higher education, the D'Amours established the Fides et Ratio competitive grant competition for small Catholic colleges and have awarded \$1.5 million in grants as part of that effort. In 2007, the D'Amours gave an extraordinary gift of \$4.2 million to Assumption College. That gift has established the Donald and Michele D'Amour Chair in the Catholic Intellectual Tradition; endowed an annual lecture in the Catholic Intellectual Life; increased the endowment they had established previously for the Fortin and Gonthier Foundations of Western Civilization Program and established a new faculty development grant fund.

HP - Honors Program certificate recipient

FG - Honors certificate in Fortin and Gonthier Foundations of Western Civilization

* - Degree in progress

The Valedictorian and Salutatorian are chosen by a selection committee representing the faculty, administration, the Senior Class and the Dean of Undergraduate Studies from among the students fulfilling the criteria for a *summa cum laude* Bachelor of Arts degree in the undergraduate day college. In evaluating candidates for these awards, the selection committee does not consider grades for any external coursework. The committee reviews academic records and contributions to the community, and interviews candidates in order to select the recipients of the College's highest graduation honors.

This listing of candidates for degrees is accurate as of 10:00 a.m. on Thursday, May 13, 2010. This is not an official document of Assumption College.

The Assumption College Mace

In medieval times the mace was used as a deadly war club. Later it became a symbol of authority, and in the context of an academic community, it has often signified teaching authority.

At Assumption College, education promotes self-discovery, but the true discovery of self must first take into account one's own nature and purpose. The symbolism of the mace reflects the simple but essential elements that make for a full and responsible consideration of self, within the broader context in which there can be a full blossoming of the individual.

An education at Assumption nurtures the growth of specific habits or, more precisely, virtues. These include: the Intellectual Virtues, which guide the student to truth; the Moral Virtues (prudence, justice, fortitude and moderation) which enable a person to lead a good life; and, most important of all, as Saint Paul and Saint Augustine would say, the Theological Virtues (faith, hope and charity), which lead the Christian to ultimate happiness. The Latin lettering on the three bands of the sterling node states the thrust of these essential virtues: *Intelligentia Adducitur Veritatem; Voluntas Adducitur Bonum; Cor Adducitur Amorem*. The staff could be considered a *lignum vitae* (tree of life), from which the virtues spring. The three upper branches of ebony and gold represent the virtues and their impact upon everyone at the College, symbolized by the multifaceted fluorite stone.

At Assumption, it is the community's shared vision that fosters a full flowering of the individual. The three blossoms of gold from the blue fluorite represent the individual coming to full maturity in Christ, in accord with the College's motto: "Until Christ be formed in you."

The Assumption College Mace was conceived, designed, created and given as a gift to the College by Paul A. Cavanagh of Greenville, Rhode Island.

Academic Regalia

The academic garb comes from the 12th and 13th centuries when most students and teachers were clerics and had taken at least minor holy orders. The assignment of colors to certain faculties, a much later development, was standardized in the United States in the late 19th century. White was assigned to arts and letters; red, a traditional color of the church, was assigned to theology; green, for herbs, went to medicine; purple, the color of emperors, went to law; and golden yellow, standing for wealth and alchemy, went to the sciences. Because philosophy means the love and pursuit of wisdom, in the case of the Doctor of Philosophy (Ph.D.), dark blue represents the mastery of the discipline of learning and scholarship in any field for which the degree is conferred rather than in the discipline of philosophy alone.

Gowns vary by degree. The bachelor's gown has pointed sleeves. The master's gown has oblong sleeves, the rear of which are cut square and the front of which are cut in arcs. Both the bachelor's and master's gowns are untrimmed. The doctor's gown has bell-shaped sleeves and is faced down the front with black velvet. Three bars of velvet cross each sleeve. Often the bars are black, but they may also be in the color distinctive to the discipline in which the degree has been conferred.

In all cases, the exterior of the academic hood is black, and the interior is lined with the official color or colors of the institution that conferred the degree. The bachelor's hood is three feet in length; the master's is three and one-half feet; and the doctor's is four feet. The doctor's hood alone has panels at the sides. The edges of the hoods are velvet, and are two inches, three inches and five inches for the bachelor's, master's and doctor's degrees, respectively. The color of this trim is indicative of the subject to which the degree pertains.

The mortar board cap may be made of soft or hard material and, as its name suggests, symbolizes the role of learning in building individual and shared futures. The tassel is either black or the color appropriate to the subject, with the exception of the doctor's tassel, which may be gold.

For all academic purposes, including trimmings of doctors' gowns, edging of hoods and tassels of caps, the colors associated with different disciplines are as follows:

Agriculture	maize
Arts, Letters and Humanities	white
Commerce, Accountancy and Business	drab
Economics	copper
Education	light blue
Fine Arts	brown
Law	purple
Library Science	lemon
Medicine	green
Music	pink
Oratory	silver gray
Philosophy	dark blue
Physical Education	sage green
Science	golden
Theology	scarlet

Assumption College Alma Mater

Lyrics: Beverly Shaw Johnson (1985) Melody: *Christe sanctorum* (Antiphone, Paris, 1681)

1. Pledge we our loy-al-ty to As-sump-tion Col-lege
2. Our hearts will al-ways be with As-sump-tion Col-lege

Whose de-di-ca-tion in pur-suit of know-ledge
Her ban-ners wa-ving with out-stand-ing cou-rage

With-stands the test of time, aids us in our on-ward climb
Call for fi-de-li-ty and protect a spi-rit free

In search of truth and light.
Long live the blue and white!

*Written upon the occasion of the 80th Anniversary
of the founding of Assumption College.*
